WA DAIRY DOE OF THE YEAR 2017/2018

Lena is a very special doe for many reasons. For starters she was the first doe kid born when the Dandalee Park dairy goat stud started back into goats after a short break due to family health issues and other commitments. Lena is by † §177/125 Buttara Kincaid and out of A/Ch RM 191 Buttara Lotus *Q*9 EX90. Lena was a favourite from birth and proudly got her name from Lena Candy (Shirley Blight mother). Lena Candy passed away at 104 yrs of age not long before Lena (goat) was born and was honoured with the name. DP Lena has not let the name down being a prolific winner as a junior and later as a milker. Both Lena and her dam Lotus have both won the prestigious Supreme Exhibit at both the WA Branch and Perth Royal Show double. Lena follows her mother in also winning many Best Udder and Type and Production classes proving she's not just a pretty face but a very productive dairy animal. In Lena's second lactation she produced 2110 kgs of milk, including 61kg protein and 75kgs bf. Lena's siblings have also dominated the show ring including DP Legion, Lionheart and Legend. All three brothers are now helping spread their remarkable genetics across Australia having been sold to studs in Vic and NSW. Lena herself, has also produced a number of quality kids in just two kiddings including Royal Show Kid Parade Supreme Exhibit 2017 and WA Kid of the Year DP Lilibet (pictured elsewhere in this Issue). Dandalee Park is honoured to have bred and owned Lena and looks forward to seeing her ongoing positive influence on Australian Saanens in the future.
