## QUEENSLAND 2018 DAIRY DOE OF THE YEAR

Cedarvale Park Sparklet is a one of a kind doe, just one of those once in a lifetime treasures who caught my eye from a very early age. She was a twin and her sister, sad to say, went on the export market.

Sparklet has had an amazing show career and she loves going to shows, you can almost see her saying 'look at me'. She has really been on fire this year (2018) and it has been a delight to show this beautiful, upstanding doe that has lots of milk and a very nice, well attached udder. As one judge has put it 'she is a world class doe and stands out in a crowd'. Her sire, Cedarvale Park Adam 2, was also a perfect example of his breed but sadly, he is no longer with us. Her dam was Cedarvale Park Sparkie.

In 2017 Sparklet produced quads, 2 does and 2 bucks, this year (2018) only one doe that I am keeping.

### Errata:

February 2019 issue: Waiora Frill remained in NZ at Waiora stud and was not one of the Waiora does imported by Osory stud. My apologies for the misunderstanding.
