BANFIELD PARK CACHES VIVIAN

DOB: 18th October 2015
Sire: California Franchise Cache, Dam: Blue Brook Venus

Owned & exhibited Windsor High School.

Vivian's story:

Banfield Park Cache's Vivian sires was from a successful AI of US genetics – California Franchise Cache. Her dam is Blue Brook Venus.

Vivian came to Windsor High School when she was quite young after she had kidded at an early age. She was not shown until after her 2nd kidding at the age of 22 months. She produced a doe and a buck. In Vivian's 3rd kidding, there were a few complications which resulted in an emergency caesarean – producing 3 does kids which all survived.

Vivian has been very successful in the show ring throughout her time with Windsor High School, winning many Best Exhibit awards as well as Best Udder Overall. Windsor High can't thank her breeder enough for his generosity and we are so proud that we have been able to showcase her and win so many amazing awards. Vivian has produced 4 does to date – Catelyn, Viyella, Velvet and Vellum. Velvet and Vellum are now owned by Luke Lohman from Blue Brook stud. All of her progeny have been in the show ring and all have, at various stages, won Champion ribbons. Catelyn will kid this year in September and we can't wait to see how she turns out as a 1st lactation milker.

Liz Ruis, Windsor High School.
