Bella won her first Championship as a one week old kid. She has a great show presence and just stands herself in the show ring.

She has won many Best Exhibits, her most notable one was winning Supreme Exhibit at the Royal Melbourne Show as young unkidded doe.

She not only has a great show presence but it a fabulous milker who is impossible to dry off. Her milk makes the best goat milk soaps!

She has the best nature and has fed her kids, a miniature kid and a lamb in her time as a milker.

Last year she produced a fabulous buck and doe kid, this year she is on lease to a young breeder and then she will come back to me.

Last season she won Best Exhibit at nearly all the shows she was exhibited at as well as the 24 hour and Herd Recording classes.
