## Queensland Dairy Doe of the Year

**Chelsea Park Karra \*Q\*8**

D.O.B 13.07.2019

Sire - Chelsea Park Preston      Dam-A.CH. Tollendool Karamella \*Q\*7

Chelsea Park Karra was the second kid of triplets from our beautiful doe A.CH. Tollendool Karamella \*Q\*7, who graced the cover of 2019 AGW as Queensland Dairy Doe of the year.

Chelsea Park Karra was not shown as a kid and only had a few outings as a goatling. On kidding for the first time Karra showed great promise with her first lactation and was then moved to the show team paddock. Over the next 12 months CP Karra was placed highly at shows. In this time she also collected a milk award earning herself a \*Q\* 8.

Over the last 12 months Chelsea Park Karra has excelled being awarded many ribbons on the Queensland show circuit in lactation, age and breed champion classes as well as Supreme Exhibit at Toowoomba Royal, Clermont Show and Charters Towers Show.

Chelsea Park Karra will only be attending a few select shows this year as the older she gets the less she likes travelling. She will be passing the reins over to some of her maternal half sisters who are already starting to make their mark in the show ring.

## Queensland Dairy Buck of the Year

**Chelsea Park Commander (Inside Cover)**

D.O.B 03.07.21

Sire- Teejae Mambo. Dam-Chelsea Park Connie \*

This lovely young buck is growing into a gentleman with great length and bone. With only three shows for him to attend last year he walked away with three Champion Buck of Show Awards.

Chelsea Park Commander was a single kid and right from birth he was something special. Unfortunately we lost his dam unexpectedly the following year so we didn't get any more siblings. He now has kids on the ground which will hit the show circuit this year.

## Queensland Dairy Doe Kid of the Year

**Waitarie Lodi TPF710273D (Inside Cover)**

D.O.B 9.9.22

Dam- Waitarie Bakita ( Sired by Luckmore Concerto)      Sire- Emerald Springs Creedence(AI)

Grand Dam- RM123Waitarie Umyna Belle \*Q\*3

When Lodi was born last year with her sister, we felt that she was of good type and had promise. However she was not quite as strong in stature to her cousin, Susie Q, who beat her at the Spring Show of 2022 with Sue Seager acting as the judge.

As time went on Lodi developed beautifully and proved herself at the 2023 Kd and Goatling Show, where she took out Reserve Champion Doe Kid. The photo was taken at the Boonah Show where she was Champion Toggenburg Doe. Due to necessity we decided to reduce our herd numbers and sold our Toggenburg goats except for the older doe, Waitarie Umyna Belle.

Lodi is now with a previous DGSA member, Amanda Dunlop, who is a lucky person to own this wonderful doe.
